Re: Public Records Act Request
Government - Inmate Fire Fighters
Our Ref.: 18-P-1197

Dear Ms. Lipton:

The Department of Forestry and Fire Protection, CAL FIRE, received your Public Records Act request and is currently searching its records for responsive documents.

Due to the need to search for and collect requested documents at a CAL FIRE facility not located at CAL FIRE Headquarters in Sacramento, California, I am extending the time to respond to your request until December 8, 2018.

California Government Code Section 6253(c)(1) authorizes an extension of the time required in which to respond to a PRA request due to "[t]he need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request."

Thank you for your courtesy as we conduct a search for the documents requested.

Sincerely,

REBEKAH GIBSON
